Tuition and fees are subject to change without notice. See [www.kishwaukeecollege.edu](http://www.kishwaukeecollege.edu) for current tuition and fee rates. A variable tuition rate of \$139 per credit hour, in addition to the standard tuition rate, will be applied to all nursing courses in the ADN/LPN program and all courses in the Radiologic Technology program.

A variable tuition rate of \$69.50 per credit hour, in addition to the standard tuition rate, will be applied to all first-year courses in the AET/MT, AMT, CAD, CRT, DPT, ELE, EMS, EST, TPM, and WT programs. All courses in these programs will be subject to variable tuition effective Summer 2017.

More information on Tuition Policies, Due Dates, Payment Methods, Senior Citizen Tuition, and Refund Policy can be found at [www.kishwaukeecollege.edu/tuition](http://www.kishwaukeecollege.edu/tuition)

## ATTENDANCE VERIFICATION

Students who do not attend their class during the refund period will be dropped from the class roster and will be charged for the class. Reduced classes / credits will be reflected in your enrollment status and may affect eligibility for athletics, scholarships, financial aid and other programs. For online courses, logging into the class does not constitute attendance, as the student must be participating in a discussion or other class participation based upon the instructors discretion.

## FINANCIAL AID & WITHDRAWING FROM CLASSES

Financial aid is intended for students who regularly attend class. Students who wish to withdraw from any classes should contact the Financial Aid Office first to see what effect this may have on your current or future financial aid. Students receiving Title IV funds (Federal Pell Grant, Federal SEOG and Federal Student Loans) and withdraw (officially or unofficially) and/or fail all their classes in a semester, will be subject to Kishwaukee College's refund policy and the federal policy regarding the calculation for the return of unearned Title IV funds. The results of this calculation often results in the student owing a portion of their aid back. There is no appeal process for students who owe funds back due to this calculation.

Students who do not attend their classes during the tuition refund period will be administratively dropped from the class roster. Any class(es) dropped will not be applied toward Financial Aid eligibility and the student will be charged for the class(es). This may result in the student owing for the class(es).
