

Axis 360 eBooks & digital Audiobooks for Android Devices

axis360

Axis 360 App

Enjoy eBooks and digital audiobooks from the Kishwaukee College Library with the new **Axis 360** app! The **Axis 360** app links your device to your library and allows you to discover, download, and read digital content on the go.

1. Download the app:

Find the Axis 360 app in the Google Play Store.

2. One-time library account setup:

You'll need to connect the app to your local library's Axis360 eBook collection. Search for Kishwaukee and then choose **Kishwaukee College** as your library.

Enter your **Library ID** and **PIN**. Your login credentials will be saved on your device.

Library ID = "kc" + your Kishwaukee College ID number (found at the top of your class schedule)
Example: kc1234567 (include any zeroes)

PIN = your last name, either all lowercase or first letter capitalized
Example: anderson OR Anderson

Tap Login.

On the next screen, set up your personal account:

- Re-enter your **Library ID** (example: kc1234567)
- Re-enter your **PIN** (last name) and confirm
- Enter your **full name**
- Enter an **email address** (for students and employees, Kish email is recommended)
- Choose a **security question** and answer, and Login

3. Find a book to read:

eBook (e) or digital audio (🎧) icons display at the corner of every book cover.

- To **Search** for books by title, author, or keyword, tap the magnifying glass icon at the upper right.
- Tap **Browse** to discover books by subject.
- For more details about any book, just tap the cover image.

Axis 360 App (continued)

The book I want is checked out! What do I do?

If someone else has the book checked out, the  or  symbol in the top right corner will be grayed out.

When you tap on the book cover, the green button will say **Place On Hold**. Tap this button to reserve a copy; you'll receive an email when the book is available to check out.

To see what books you have on hold, tap **My Stuff**.

Place on Hold

Tip: See only books that are available to check out

From your search results screen, tap **Filter** at the top left.

On the next screen, tap **Available Now**, and then **Apply**.

Now you will only see books that are currently available to check out. You can always tap **Filter** again to remove the **Available Now** feature.

Available Now

eBooks

Audio Books

Apply

4. Check out books

Just tap the "**Checkout**" button to borrow a book. Once the book has downloaded to your device, you can start reading right away.

Loan period:

- You will have 21 days to read your book. After that loan period, the book will automatically return and be available for other users; you don't have to do anything.
- If you like, you can return the book early when you're finished reading it. Just go to **My Stuff**, find the book, and tap **Return**.
